

Engineers and Electricians Registry Update- EXTENDED (31st August 2013)

We are currently developing a new licensing regulations framework for engineers and electricians. Hence in order for us to implement the regulation we must update our licensee information database. Please follow the link to the online form and submit on or before **31st August 2013**

*For any inquiries please **contact** us at 3004216 or **email** ahmed.jazlaan@mea.gov.mv / ahmed.naufal@mea.gov.mv*
